

HEALTHY SOCIAL BEHAVIOR SPECIALIST

The Healthy Social Behavior Specialist (HSB) provides resources, training, and technical assistance to child care providers in licensed centers and centers in a residence. The HSB Specialist assists in the development of pro-social classroom supports and to identify, prevent, and address challenging behaviors in young children in child care settings, ultimately resulting in a reduction in the expulsion of children from child care programs.

EDUCATION:

Bachelor's Degree in Early Childhood Education/Child Development

Master's Preferred

(EEC Level 11 + PDA and/or TAE strongly recommended)

POSITION REQUIREMENTS:

Three years' experience working in a classroom setting with preschool children and their families. Experience training adults. Strong written and oral communication Skills. Strong computer skills, Willingness to travel with some overnight stays.

Occasional even meetings and weekends.

For the above position, please send your resume and cover letter to:
